PROFILE SUMMARY

Proficient in JavaScript, React.js, and Node.js. Strong web development background with experience in building web applications. Knowledgeable in Git and version control. Eager to stay updated with the latest web technologies. Experienced a career gap and now even more motivated to contribute and grow.

EXPERIENCE

Roaring Studios, Jaipur — *Full Stack Developer*

JUNE 2016 - AUGUST 2018

As a Full Stack Developer, I handled diverse web application projects for clients, meeting deadlines and ensuring client satisfaction. Employing Node.js and Express.js, I built strong server-side logic and RESTful APIs for smooth frontend-to-backend communication, optimizing performance and efficiency.

EDUCATION

Poornima Institute of Eng. & Tech., Jaipur — *(B.Tech)CS*

JULY 2012 - MAY 2016.
